

Dear Exhibitors,

We are excited to extend an invitation for you to join us at the 22nd Annual Space Coast Birding and Wildlife Festival (SCBWF), January 23–28, 2019. Exhibit Center dates are Wednesday, January 23 through Saturday, January 26.

One of this year’s festival highlights will be owls starting with our opening keynote speaker Denver Holt, founder and President of the world premier Owl Research Institute. In addition there will be other owl related activities as well as our outstanding assortment of workshops, field trips, spotlight presentations, boat trips, classroom presentations, and renowned wildlife photographers. Our other focus will be on Florida waterways and their diverse habitats for birds and wildlife, along with the challenges they face. Our Saturday Evening Celebration features conservation photographer Mac Stone who has explored the springs, swamps, and hammocks of Florida.

The Exhibitor Registration Form, Exhibit Center Layout, and Sponsorship Guidelines are currently available on www.scbwf.org. 2018 Sponsors, Exhibitors, Festival Guide, and Daily Schedules have been kept on the website for referral purposes. 2019 updates and information will be posted as it becomes available with an anticipated time frame of early-mid September. At that time any 2018 information will be removed from the site, so if you want to be recognized as a sponsor or exhibitor for 2019 sign up soon!

Information on how to submit your Exhibit Application is outlined on the application. PLEASE NOTE: Your booth is not reserved until payment is received, no exceptions. We will do our best to honor your booth location request, however booths are assigned by date of application or previous exhibitor status.

The Exhibit Center is located in the Gymnasium (Building 4) at the Eastern Florida State College Titusville Campus, 1311 North Highway U.S. 1 - Titusville, Florida 32796.

The Exhibit Center booth cost will be \$600.00 this year which includes electric for all draped 10x10 booths. In addition we have three receptions scheduled for Wednesday, Thursday and Friday evenings in the Exhibit Center and have made arrangements for access via two entrances for added traffic flow. We have a national marketing program in place via print and digital media in national publications, billboards, and social media. Festival support team travel nationwide to promote directly to potential attendees. In addition, space permitting we strive to provide opportunities to exhibitors to give presentations or be a “celebrity” guide on field trips.
