

Dear Sponsors and Exhibitors,

We are honored to be hosting the **25th Annual Space Coast Birding and Wildlife Festival (SCBWF)** and would like to extend an invitation to you to join us in the celebration February 2–6, 2022. Expo Center dates are Wednesday, February 2 through Saturday, February 5, 2022.

We are proud to announce this year's keynote line-up has been confirmed. The festival will kick off on Wednesday, February 2, 2022 with our opening keynote speaker Jeffrey Gordon, President of the American Birding Association. Jeffrey will help kick off this special celebration by talking about how far birding has come in the last 25 years and the future of birding. Tour Operator Thursday, February 3, 2022 will feature our keynote speaker Carlos Bethancourt, Canopy Tower, Panama, located in an impressive rain forest. Carlos is world renowned for his tour guide abilities, relate-ability and likability. Friday night, February 4, 2022 we are pleased that our friend Christina Baal with Drawing 10,000 Birds has agreed to do her first ever keynote presentation by sharing her other passion besides art..."Inspiring Storytelling". Saturday afternoon, keynote speakers Kevin Karlson (in person) & Pete Dunne (by video) will share excerpts & research behind their new book, *Bird Families of North America*, as an audio/visual celebration. Saturday evening, February 5, 2022 we will celebrate our 25th anniversary with an amazing and varied event with our friends from Uganda. (More details will follow)
